Practice tip

1. ****Sight-read the easy version first.**** This setting is the same tune phrase for phrase. If the easy version is not yet steady, come back to this one.
2. ****One ornament family at a time.**** Add the throws first (every D that follows A or B). Then the grips. Then the doublings on the shorter notes. Don't try to layer all of it at once.
3. ****The grip is a balance test.**** The `{GAG}A` grip is two G grace notes around an A — it sounds like a *flick*. Don't slow the tune down for it; the grip lives inside the principal's beat.
4. ****Cadence — the grip into cadence is the showstopper**** For 8
